EXPERIENCE

Ignition (Practice Ignition) Global VP Marketing / CMO (Advisor from Jan 2026) <i>Revenue engagement platform for accounting and professional services. Markets: U.S., Australia, UK, Canada.</i>	Jul 2021 – Jan 2026
• Led full GTM growth agenda as executive team member reporting directly to CEO; ARR grew from \$15M to ~\$100M in under five years • Built and managed a 20+ person global team across demand generation, product marketing, brand, lifecycle, and revenue operations • Architected multi-motion GTM: PLG self-serve, sales-assisted for mid-market, and partner-led distribution for SMB, running simultaneously • Built U.S. go-to-market from near-zero: localised content, ABM, BDR/SDR enablement, and U.S. channel partnerships — making U.S. the primary growth market • Partnered with product on pricing and packaging redesign to lift ARPU and net revenue retention (NRR) • Led full company rebrand and category creation programme, repositioning from Practice Ignition to Ignition • Embedded AI-first workflows across content, campaigns, and reporting, improving team velocity and output quality • Presented to board and investors on pipeline, growth trajectory, and market expansion strategy	
Booksy (acquired Genbook) VP Marketing <i>SMB scheduling and payments SaaS. 22,000+ customers. Dual market: U.S. and Australia.</i>	May 2019 – Jul 2021
• Owned the full commercial growth function — sales, marketing, and partnerships — across two markets • Led GTM strategy and commercial execution across acquisition, activation, and retention, contributing to acquisition by Booksy (2021) • Ran PLG and product-led sales (PLS) motions for 22,000+ SMB customers; built and diversified acquisition channels to reduce CAC and improve LTV	
SiteMinder (ASX: SDR) Global Product Marketing Director / Global Marketing Director, Demand Gen / Head of Marketing <i>Global hotel technology platform. ASX-listed. Reached \$1B+ valuation.</i>	Jun 2014 – May 2019
• Joined as employee #84; contributed to growth from ~\$15M to \$100M+ ARR through ASX listing and a \$1B+ valuation • Built global demand gen engine from the ground up: marketing automation, SEO, paid, events, and partnerships — delivering triple-digit YoY pipeline growth • Led commercial GTM across 27+ countries: multi-language, multi-motion execution across EMEA, North America, and APAC • Built the global product marketing function from scratch: positioning, launches, competitive intelligence, and sales enablement • Reported directly to Founder/CEO in early tenure; operated at executive level throughout	

EARLIER CAREER

Product & Marketing Lead, ANZ — NSK (Jun 2009 – Apr 2014) | Earlier marketing roles — Computacenter, BigHand, Heat Software (2006–2008)
