EXPERIENCE

Founder & Advisor

BK Growth Advisory | Apr 2026 – Present

Advising select vertical SaaS businesses on GTM strategy, growth and marketing.

Global VP Marketing / CMO

Ignition | Jul 2021 – Apr 2026 CMO to Jan 2026, Advisor to Apr 2026

B2B SaaS revenue platform for accounting & professional services. U.S., Australia, UK, Canada.

- 5x ARR growth from ~\$15M to ~\$100M; led 20+ person global team across demand gen, product marketing, brand, content, events, and marketing ops
- Multi-motion GTM — PLG self-serve, sales-assisted (mid-market), and partner-led. Built U.S. pipeline from near-zero to primary growth market via localisation, ABM, and BDR enablement
- Led full company rebrand and category creation program to support enterprise expansion; redesigned pricing and packaging to lift ARPU and NRR
- Built lifecycle marketing end-to-end (onboarding, activation, expansion, win-back); embedded AI agents across content, campaigns, and reporting
- Delivered AFR Top 100 Fastest Growing Tech Companies recognition. Presented to board and investors

VP Marketing

Booksy (formerly Genbook) | May 2019 – Jul 2021

SMB scheduling & payments SaaS. 22,000+ customers, U.S. and Australia.

- Led GTM contributing to acquisition by Booksy (2021); built paid, organic, referral, and partnership channels to reduce CAC
- Ran PLG and PLS motions for SMB acquisition and activation across a dual-market U.S. and Australia footprint

Global Product Marketing Director & Head of Marketing

SiteMinder (ASX: SDR) | Jun 2014 – May 2019

Global hotel technology platform, ASX-listed, \$1B valuation. Progressed through four roles from Head of Marketing to Global Product Marketing Director.

- Employee #84 — contributed to \$15M to \$100M+ ARR, ASX listing, and \$1B valuation in hospitality SaaS
- Built global demand gen engine delivering triple-digit YoY pipeline growth; GTM across 27+ countries
- Built global product marketing function: positioning, launches, competitive intel, and sales enablement across enterprise and SMB hotel segments

Earlier: Product & Marketing Lead, NSK (2009–2014) · Computacenter, BigHand, Heat Software (2006–2008)

PROFILE
