EXPERIENCE

Founder & Advisor

BK Growth Advisory | Apr 2026 – Present

Advising select vertical SaaS and healthtech businesses on GTM strategy, growth and marketing.

Global VP Marketing / CMO

Ignition | Jul 2021 – Apr 2026 CMO to Jan 2026, Advisor to Apr 2026

B2B SaaS revenue platform serving 8,500+ accounting and professional services firms in a regulated financial services environment. Markets: U.S., Australia, UK, Canada.

- Drove 5x ARR growth from ~\$15M to ~\$100M through lifecycle-led retention strategy — full ownership of acquisition, engagement sequencing, win-back campaigns, and NRR expansion across a 20+ person global team
- Built behavioural segmentation frameworks and CRM lifecycle programmes that reduced churn; designed intervention strategies triggered by engagement signals to identify at-risk cohorts and improve Customer Lifetime Value
- Led predictive marketing infrastructure: embedded AI agents, automated lifecycle workflows, and built real-time reporting dashboards to track acquisition and retention funnel performance
- Ran multi-motion acquisition engine (PLG self-serve, sales-assisted, partner-led) operating under strict regulatory and compliance constraints in the financial services sector

VP Marketing

Booksy (formerly Genbook) | May 2019 – Jul 2021

D2C consumer booking and payments platform for beauty and wellness. 22,000+ end customers across U.S. and Australia.

- Led full acquisition, activation, and retention strategy for a D2C subscription platform; built diversified channel mix (paid, organic, referral, partnerships) to reduce CAC and extend CLTV
- Designed lifecycle and churn prevention programmes for consumer cohorts; ran PLG and PLS motions to improve onboarding conversion and long-term engagement — contributed to successful acquisition by Booksy (2021)

Global Product Marketing Director & Head of Marketing

SiteMinder (ASX: SDR) | Jun 2014 – May 2019

Global hotel technology platform. ASX-listed. \$1B valuation.

- Employee #84 — contributed to scale from \$15M to \$100M+ ARR, ASX listing, and \$1B valuation; built global demand gen and product marketing functions across 27+ countries

Product & Marketing Lead, Oceania

NSK (Nakanishi Inc.) | Jun 2009 – Apr 2014

Japanese medical and dental devices manufacturer. TGA-regulated product portfolio. Full ownership of product and marketing across Australia and New Zealand.

- Led product and marketing for NSK's entire Oceania business — TGA-regulated medical and dental devices sold to healthcare professionals across Australia and New Zealand
- Managed product portfolio, clinical positioning, practitioner education, and channel distribution in a compliance-first, highly regulated healthcare environment

PROFILE

Healthcare-sector marketing leader with 15+ years in regulated, high-growth environments. Five years leading product and marketing for TGA-regulated medical devices (NSK), combined with deep lifecycle marketing expertise across subscription SaaS and D2C consumer platforms. Proven track record in reducing churn, growing CLTV, and building data-driven retention programmes. Two exits. AI-first operator. Board and executive team experience.
